

European Environment Agency

Authorisation of internal video broadcasting and audio/video recording of participants in meetings organised by EEA

I, the undersigned, hereby acknowledge that the internal video broadcasting (streaming) and audio/video recording of me today will be used for internal communication purposes only for the duration of the meeting and as long as follow-up actions to the meeting are necessary, i.e. for the purpose of drafting the minutes of the meeting I am aware that the internal video broadcasting (streaming) can only be seen by those authorised to have access to the EEA Intranet.

I hereby acknowledge that I have received, read and approved the terms of the privacy statement for the internal video broadcasting and recording during a meeting organised by the EEA.

Consequently, I hereby declare that

I give my unambiguous consent on the video and audio recording of me during the meeting or event

I do not give my consent to the video and audio recording of me during the meeting or event
