Question

Having regard to Sections 10.3.1 B and 10.3.2 B (pp. 9 and 10) of the Tender Specifications), is it acceptable that the all-inclusive rates quoted per profile vary from partner to partner (in case of a tenderer being a consortium of economic operators and/or involving subcontractors) or are uniform rates per profile required?

Answer

Regardless of a tenderer's composition (involving a consortium of economic operators and/or subcontractors or not), and having regard to the above mentioned Sections 10.3.1 B and 10.3.2 B, all rates quoted by a tenderer thereunder must be uniform rates per profile.
