Clarification No 8 for open call for tenders:

Framework contracts(s) for expert assistance in the areas of Transport and environment and Energy and environment (2 lots)

Reference number: EEA/ACC/09/001

Question

In case and once a tenderer has been awarded a framework contract, may the contractor, in response to EEA's request for services via a specific contract, propose resources (consultants) that were not already included in the tender?

Answer

To the extent that this question is intended to refer to subcontracting, Article II.13 of the Framework Contract shall govern (see already Clarification No 7 to EEA/ACC/09/001, Answer 3, last paragraph). Insofar as this question is intended to refer to a tenderer's staff, Article II.1 of the Framework Contract shall govern.
