## Clarification No 5

**Reference:** Open call for tenders No EEA/OSE/14/001

**Title:** Framework service contract for the provision of printing, layout and design services

### Question 1

Could you please clarify the nature of the “statement of the means of confidentiality” requested under point 4.3?

### Answer 1

*With reference to section 4.3. of the tender specifications, the information on potential subcontracting is optional, and applies only in the event where it would be known already at the stage of the submission of the tender.*

*Tenderers are requested elaborate on the means of ensuring quality and confidentiality when sub-contractors are used, thus ensuring that also subcontractors are committed to discretion, ethics and transparency both during the tendering phase and the implementation of the contract.*
