Framework service contract for Geospatial data analysis consultancy services**

Reference number: EEA/SES/09/001

The Agency has received the following request for clarification:

Question 1

In case a consortium of legal entities submitting a tender concerning the pending procurement procedure is awarded the contract, what legal form would the consortium have to assume?

Answer 1

Having regard to Section III.1.3 of the Contract Notice concerning the pending procurement procedure this is to clarify that a successful tenderer shall only assume a particular legal form if, after the award of the contract, the contracting authority explicitly requests such a change as being necessary for the proper performance of the contract.
