III.1) CONDITIONS RELATING TO THE CONTRACT

III.1.1) Deposits and guarantees required:

As stated in the contract.

III.1.2) Main financing conditions and payment arrangements and/or reference to the relevant provisions regulating them:

As stated in the contract.

III.1.3) Legal form to be taken by the group of economic operators to whom the contract is to be awarded:

Tenders may be submitted by consortia of economic operators. If a consortium is awarded a contract, it may be required to adopt a legal form by incorporation or partnership enabling it to contract as a single entity if such change is necessary for the proper performance of the contract. Consortia must identify one of their members as coordinator which will interface with the Agency. Each consortium member must fulfil the conditions for participation mentioned in Section III.2.

III.1.4) Other particular conditions to which the performance of the contract is subject:

No.

III.2) CONDITIONS FOR PARTICIPATION

III.2.1) Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers:

Information and formalities necessary for evaluating if requirements are met: Exclusion criteria — to be eligible for participation in this contract award procedure, tenderers must not be in any of the exclusion situations referred to in Articles 93 and 94 of Council Regulation (EC, Euratom) No 1605/2002 of 25.6.2002, OJ L 248 of 16.9.2002 as last modified by (EC, Euratom) No 1995/2006 of 13.12.2006, OJ L 390/1 of 30.12.2006. To that effect tenderers are required to submit a declaration of honour (see Annex 1 to the tender specifications) in accordance with Article 134 of Commission Regulation (EC, Euratom) No 2342/2002 of 23.12.2002, OJ L 357/1 as last modified by (EC, Euratom) No 478/2007 of 23.4.2007, OJ L 111/13. Under the same provision, the tenderer to whom the contract is to be awarded will be required to produce evidence confirming the prior declaration unless this obligation is waived by the contracting authority.

Legal capacity — tenderers are requested to prove that they are authorised to perform the contract under national law, as evidenced by inclusion in a trade or professional register, or a sworn declaration or certificate, membership of a specific organisation, express authorisation, or entry in the VAT register. Tenderers shall

provide an identification sheet (Annex 2 to the tender specifications) duly filled out and signed, a copy of inscription in a trade register, where applicable, and a copy of inscription in VAT registers.

III.2.2) Economic and financial capacity:

Information and formalities necessary for evaluating if requirements are met: Proof of economic and financial capacity may be furnished by (one or more of) the following documents:

- (a) appropriate statements from banks or evidence of professional risk indemnity insurance;
- (b) the presentation of balance sheets or extracts from balance sheets for at least the last 2 years for which accounts have been closed, where publication of the balance sheet is required under the company law of the country in which the economic operator is established;
- (c) a statement of overall turnover and turnover concerning the works, supplies or services covered by the contract during a period which may be no more than the last 3 financial years.

If, for some exceptional reason, which the contracting authority considers justified, the tenderer or candidate is unable to provide the references requested by the contracting authority, he may prove his economic and financial capacity by any other means which the contracting authority considers appropriate.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links, which it has with them. It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal.

III.2.3) Technical capacity:

Information and formalities necessary for evaluating if requirements are met: The evidence of the technical and professional capacity should be furnished on the basis of the following documents:

- a) the educational and professional qualifications of the service provider and/or those of the firm's managerial staff and, in particular, a minimum of 3 CVs of the persons responsible for providing the services, each having at least a minimum of 3 years of experience in image processing methods including production flow and data management; CVs of the proposed staff must be attached to the offer;
- b) a list of the principal services provided in the past 5 years, with the sums, dates and recipients, public or private;
- c) a statement of the average annual manpower and the number of managerial staff of the service provider in the last 5 years;
- d) an indication of the proportion of the contract which the service provider may intend to subcontract;
- e) a description of the tenderer's environmental policy.

III.2.4) Reserved contracts:

No.

III.3) CONDITIONS SPECIFIC TO SERVICES CONTRACTS

III.3.1) Execution of the service is reserved to a particular profession:

No.

III.3.2) Legal entities should indicate the names and professional qualifications of the staff responsible for the execution of the service:

No.
