## Clarification No 1

**Reference:** **Open call for tenders No EEA/OSE/14/004**

**Title:** **Framework service contracts for the provision of IT consultancy services to the EEA and the European Commission (DG ENV and DG CLIMA) — 6 lots**

**Question 1**
For LOT 6 (Java) you are demanding for an "open source software developments for applications in Java"... Do you already know the final open source platform which would be used?

*Answer 1*
*Please refer to the mandatory requirements listed for lot 6 in section 7.2 of the technical specifications. The application platform is Tomcat and the main libraries and frameworks are listed under the last bullet point in that section.*
