Framework contracts will be valid for a period of three years from the date of signature, with the option of extension for up to two years. On the basis of these, contractors will be engaged through specific agreements for each concrete project.

5. General terms

The general terms and conditions of the contracts awarded by the EEA will be applied.

6. Place of work

The work will take place at the EEA premises in Copenhagen or at the contractor's premises as defined by the requirements of the individual tasks.

7. Selection criteria

Tenderers must provide evidence of their professional and technical qualifications by means of the following documentation:

- an identification sheet (name or business name, legal status, contact person, etc.)
- where applicable, references of inscription in the VAT-register
- where applicable, references of inscription in the trade register
- CVs of key personnel
- record of similar work

7. Award criteria

- the daily rates offered for consultants with the required skills and experience
- documented evidence of company's expertise in using the tools and techniques specific for area of expertise
- the company's experience of tasks similar to those to be performed under each area of expertise

For each area of expertise the tenders will be scored for the two latter award criteria and companies matching the minimum criteria for at least 10 areas of expertise will be

ranked for each, based on the ratio of daily rates to scores. The three companies getting the highest overall ranking, based on their 10 best areas, will be awarded a framework contract.

When signing specific agreements for performing tasks under the framework contracts the agreement will first be offered to the company offering the most advantageous offer within that particular area of expertise.

For intramuros consultants, the daily rates should include all incurred costs, including travel costs and subsistence fees. For consultants mostly working at own premises but occasionally working at EEA (extramuros/intramuros), travel and subsistence costs will be paid according to EEA standard rules and rates.

Competence in both selection and award criteria must be maintained throughout the contract. Should the contractor fail to remain competitive during the framework contract, another vendor from the tenders may be substituted.

8. Performance

Once a framework contract has been signed the company must be able to offer consultants with the required skills and experience to carry out the work in question within two months after offering the company a specific agreement. The amount of work under the (maximum) three framework contracts is estimated to equal 5 to 8 full-time consultants per year.

EEA maintains the right to refuse any consultant if performance is not satisfactory.

Article 1 - Subject

In the framework of this contract, the contractor hereby undertakes, subject to the conditions laid down in this contract and the annexes thereto, which form an integral part thereof, to perform the following tasks:

-

Article 2 - Duration

2.1 This contract is concluded for a period of three years from XXXX to XXXX, both dates inclusive, with possible renewal twice, each renewal being for a period of one year. Once that period has elapsed:

- no new Specific Agreements (or order forms) may be concluded;
- the provisions of the present Framework contract shall continue to apply to any Specific Agreements (or order forms) still in force until the date of their expiry.

2.2 Specific Agreements (or order forms) shall enter into force no earlier than the date on which they are signed. Their validity shall not extend beyond one year from the date of expiry of this Framework Contract.

2.3 This contract imposes no obligation on the Agency to purchase services from the contractor.

Article 3 - Prices

Prices shall be fixed as follows in accordance with those quoted in the contractor's offer and are not subject to revision for the first year of performance of the contract:

- xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx

Article 4 - Payment conditions

Payments shall be made within 60 days of receipt of the invoice and shall be deemed to have been made on the date on which they are debited to the Agency's account. All payments will be done upon presentation of an invoice.

The Agency may, however, after giving notice to the Contractor, defer payment if the services covered by the request for payment are contested by the Agency or if the vouchers in support of the invoice are incomplete. Where payment is so deferred, the Agency shall not be liable to pay interest or indemnities of any kind.

All requests for payment shall be sent to the following address:

The European Environment Agency
For the attention of: The finance department

Article 5 - General conditions and applicable law

- 5.1 This contract shall be governed by the General terms and conditions applicable to contracts awarded by the European Environment Agency as laid down in Annex II to this contract, which the contractor hereby declares to have read and agreed to.
- 5.2 This contract shall be subject to Danish law.
- 5.3 The Agency and such persons whom are authorised for this purpose by the Executive Director shall be entitled to carry out audits and controls, have access to all books, documents, papers, records and files kept by the Contractor relating to expenditure incurred in performing the contract during the contractual period and for a period of five years after such period.

Article 6 - Non-performance or delayed performance

- 6.1 Of any of the obligations arising from this contract, and regardless of the consequences provided for under the law applicable thereto, the beneficiary shall forthwith inform the Agency, with the relevant details, of any event that is liable to prejudice or delay the performance of this contract. The parties concerned shall agree together on the measures to be taken.
- 6.2 If no agreement can be reached concerning the delayed performance or/and the non-performance by the beneficiary the Agency may automatically terminate the contract without recourse to any legal proceedings, where no action is taken by the beneficiary within one month of receiving formal notice by registered letter.
- 6.3 Furthermore, without prejudice to such termination, the Agency may require reimbursement of all or a part of the amounts paid, having regard to the nature and the scale of the work carried out, before the date of termination of the contract, as well as the interest incurred on overdue payments at the rate in force on the exchange market in the country of the beneficiary or failing that, in Denmark, for three month's deposits in euros, starting the day when the amounts to be reimbursed were received by the beneficiary. The amount due shall be notified to the contractor by registered mail and reimbursed to the Agency within two months of the notification, failing which the rate of interest on the amounts to be reimbursed shall be raised by 2 % points.

Article 7 - Jurisdiction

Any dispute between the Agency and the contractor or any claim by one party against the other under this contract that cannot be settled by the contracting parties out of court, shall be brought before the Copenhagen courts.

Article 8 - Administrative provisions

- 8.1 Any amendment to this contract, the annexes thereto or the general terms and conditions applicable to contracts awarded by the European Environment Agency shall be the subject to a supplementary written agreement on the same terms as the contract; a verbal agreement shall not be binding on the contracting parties.
- 8.2 The reference number indicated on the first page of this contract as well as the subject of the contract mentioned in article 1 must be mentioned in all relevant reports. For all letters and financial documents with reference to the performance of this contract, only the reference number is compulsory.
- 8.3 Any communication with reference to the performance of this contract shall be in written form and shall be sent to the following address:

For the Agency:

**GENERAL TERMS & CONDITIONS APPLICABLE TO CONTRACTS AWARDED
BY THE EUROPEAN ENVIRONMENT AGENCY**

Article 1 - Performance of the contract

- (1) The contract shall be performed in such a way as to exclude the possibility of the Contractor or his staff supplying services under conditions identical to those governing the supply of services by a member of the European Environment Agency's staff. The Contractor and his staff may not be members of the European Environment Agency's staff.

Article 2 - Secondary obligations of the Contractors

- (1) The Contractor to the European Environment Agency undertakes to perform the tasks assigned to him according to the highest professional standards. In performance of the contract, the Contractor is required, depending on the circumstances, to use only his own highly qualified, professional staff.
- (2) The Contractor to the European Environment Agency undertakes to provide the Agency with any information it may request for the management of the contract. If the Contractor is a natural person, he shall be required to provide proof of his status either as a self-employed person or an employee for the duration of the contract. To this end, he shall provide the Agency with information about his occupation.
- (3) In the event of termination of the contract for one of the reasons referred to in Article 7 of these terms and conditions, the Contractor to the European Environment Agency shall undertake to send the Agency all information and documents in his possession on the tasks assigned to him.

Article 3 - Confidentiality

- (1) The Contractor undertakes not to make use of and not to divulge to third parties any facts, information, knowledge, documents or other matters communicated to him or brought to his attention during the performance of the contract or any matter arising therefrom. He shall continue to be bound by this undertaking after the expiry of the contract.
- (2) If the Contractor uses his own staff in the performance of the contract, he shall obtain from each staff member a written undertaking that they will respect the confidentiality of any information brought to their attention during the performance of the work and that they will not divulge to third parties or use for their own benefit or that of any third party any document or information not available publicly, even after completion of their assignment. A copy of the undertaking shall be sent to the European Environment Agency.

Article 4 - Permits and licences

- (1) The Contractor shall be solely responsible for taking the necessary steps to obtain any permit or licence required for the performance of the contract under the laws and regulations in force at the place where the tasks assigned to the Contractor are to be performed.
- (2) The European Environment Agency may terminate the contract without notice if the Contractor is unable, through his own fault, to obtain any permit or licence required for the performance of the contract.

Article 5 - Spread of risk

- (1) The Contractor shall not be entitled to payment if he is prevented by force majeure from performing the tasks assigned to him. Part performance only of any such task shall result in part payment. Provided it is specified in the contract, the above provisions shall not affect the Contractor's entitlement to reimbursement of travel and subsistence expenses and of costs for the shipment of equipment incurred in the performance of the contract.

Article 6 - Liability of the contracting parties

- (1) The European Environment Agency may not under any circumstances or for any reason whatsoever be held liable for damage sustained by the Contractor himself or by his staff during the performance of the contract. The European Environment Agency shall not accept any claim for compensation or repairs in respect of such damage.
- (2) Except in case of force majeure, the Contractor shall be required to indemnify the European Environment Agency for any damage they may sustain during the performance, poor or otherwise, of the contract.

Article 7 - Termination of contract

- (1) Each contracting party may, of his own volition and without being required to pay compensation, terminate the contract by serving formal notice two months in advance. If the contract is terminated by the European Environment Agency, the Contractor shall be entitled to payment for the part performance of the contract only.
- (2) In the event of a serious failure by the Contractor to the European Environment Agency, duly noted by the European Environment Agency, to fulfil his obligations under the contract, the contract may be terminated at any time by registered letter without formal notice or payment of any compensation whatsoever by the European Environment Agency. This provision shall not affect the application of Article 6(2) of these General Terms & Conditions.

Article 8 - Termination of the contract and services to third parties

- (1) The Contractor to the European Environment Agency shall not, without the prior and explicit approval of the European Environment Agency, assign the rights and obligations arising out of the contract in whole or in part or sub-contract any part of the contract to third parties.
- (2) Even where the European Environment Agency authorises the Contractor to sub-contract part or all of the work to third parties, he shall nonetheless remain bound by his obligations to the European Environment Agency under the contract.
- (3) Save where the European Environment Agency expressly authorises an exception, the Contractor shall be required to include in any sub-contracts for all or part of the work such provisions as enable the European Environment Agency to enjoy the same rights and guarantees in relation to the sub-contractors as it enjoys in relation to the Contractor himself.

Article 9 - Ownership

- (1) Any result or patent obtained by the Contractor in the performance of the contract shall belong to the European Environment Agency which may use them as it sees fit.
- (2) Copyright and any other rights of ownership in respect of manuscripts or parts thereof shall belong exclusively to the European Environment Agency except where copyright or other property rights already exist.
- (3) On the date of acceptance of the manuscripts and subject solely to the exception referred to in paragraph (2) above, all rights in respect of manuscripts, including amongst others the right to use, print, publish and sell all or part thereof in any manner and in any language whatsoever, shall be acquired by the European Environment Agency which may transfer all or part of such rights to third parties on its own terms.
- (4) The Contractor shall specify any parts of manuscripts, including illustrations, maps and graphs, in which copyright or any other right of ownership already exists and hereby affirms that he has obtained permission to use such parts from the titular holder(s) of such rights or from his or their legal representatives. Any cost for which the Contractor may become liable for such permission shall be paid by him. Save as otherwise provided for in paragraph (2), the Contractor hereby affirms that he is entitled to transfer the copyright or other rights of ownership in respect of the subject matter of the manuscript.
- (5) The European Environment Agency shall not be required to publish manuscripts or documents supplied in the performance of the contract. If it is decided not to publish the manuscripts or documents supplied, the Contractor shall not have them published elsewhere without the written approval of the European Environment Agency.

Article 10 - Methods of payment

- (1) Payments shall be made in euro (€).
- (2) At the request of the Contractor, the Agency may pay him an advance equal to 30% of the amount due on completion of the contract. In addition to the requirement of the second paragraph of Article 45 of the Financial Regulation applicable to the Budget of the European Environment Agency, payment of the advance may be made conditional upon the furnishing by the Contractor of proof that he has lodged a deposit equal to the amount of the advance. The advance shall be deducted from subsequent payments in such a manner that it is fully recovered on exhaustion of the funds provided for such payments.
- (3) In the event of termination of the contract under Article 7 of these General Terms & Conditions, no payment shall be due except for services actually rendered up to the date of termination. In such an event, the amount due shall be calculated after deducting any payments already made. If the payments made prior to termination exceed the sum finally due, the additional amount shall be repaid by the Contractor to the European Environment Agency within 60 days of receipt of a request for repayment. If payment is not made within this period, the sum owed by the Contractor shall start to bear interest at the euro rate applied by the European Central Bank on the last day of the period allowed for repayment, as published in the C series of the Official Journal.
- (4) Reimbursable travel and subsistence expenses shall be paid, where appropriate, on production of supporting documents including receipts, used tickets and boarding pass.
- (5) Payments shall be made within 60 days of the due date.
- (6) The Contractor, whose registered office or place of abode shall be situated within the territory of one of the Member States of the European Environment Agency, shall be required to name a bank within the territory of his country of domicile for the payment of the sums due to him under the contract.

Article 11 - Provisions relating to taxation

- (1) If the tax laws to which he is subject require the Contractor to pay VAT on fees received under the contract, the amount of VAT shall be included in the sums paid by the Environment Agency in return for services rendered.
- (2) The Contractor shall be responsible for complying with the national tax laws applicable to him in respect of revenue received under the contract with the European Environment Agency.

(3) Tax laws:
